ELIOT MÖWES

Eliot Möwes (1997) is an artist living in Lausanne.

He finished his studies of visual arts at ECAL in 2021 and cofounded the art space « Magic stop » together with Jacopo Spini in 2022. His work mainly consists of blurry paintings, suggesting shadows, smoke or erased images. He mostly uses a binary color system, like in a text.

MARIANA ISLER

Mariana Isler (*born in Venezuela in 1995), arrived in Switzerland at the age of two and currently lives in a small town in Switzerland with her family. Graduated in 2023 with a Bachelor's degree in Visual Arts at ECAL, she joined the HEAD to pursue a Master's degree. This is her second degree following her diploma in graphic design from Eracom. The subjects she likes are taken from her childhood and her environment. A visual artist above all, Mariana Isler likes to multiply references. Her work links painting to graphic design as well as to the universe and practices of graffiti.
